WE'RE HIRING

UNIVERSITY OF TEXAS POLICE AT HOUSTON

INSPECTOR, THREAT AND CRIMINAL INVESTIGATIONS

**Salary range \$106,500 to \$159,500.
\$133,000+ commensurate with experience.**

The Police Inspector position for the Converged Threat/Risk Protection & Investigations Team oversees institutional threat assessments, crime mitigation programs, and realtime investigations based on direct or perceived threats to individuals or the institutions we serve. Working within our Combined Protection Model, this position will provide expertise and oversight to criminal or threat investigations on behalf of our stakeholder community. This Inspector will lead a multidisciplinary team of criminal investigators and/or threat assessment professionals during the course of all investigative services and liaison with the institutions we serve on matters pertaining to crime, threats, and risk mitigation.
